

"THIS CRUISE WAS THE BEST DAY OF OUR VACATION."

CRUISING KENAI FJORDS NATIONAL PARK SINCE 1974

Choose the original tour operator of Kenai Fjords National Park

Even by Alaskan standards, Kenai Fjords National Park is amazing. A place where natural wonders come together with breathtaking results, the park showcases sensational seascapes, tidewater glaciers and a host of wildlife. The best way to experience Kenai Fjords National Park and its beautiful surroundings is with the park's original tour operator:

Kenai Fjords Tours. Let us show you this special place the way no one else can.

Meet our neighbors – both playful and ancient.

Kenai Fjords National Park and Resurrection Bay are known for an abundance of wildlife. We commonly see humpback whales, sea lions, sea otters, harbor seals, orcas and hundreds of different seabirds – including the famous puffin! Every park cruise also gives you a close-up view of glaciers and icebergs deep in the fjords.

Our captains and crew members are experts at spotting and showcasing the sights and sounds of this majestic neighborhood. You'll also get a **free wildlife guide and route map** to keep track of it all during your cruise adventure. Plus, your meals are included in the price of your tour!
